Total amount of budget for Head of the Research Project	XXXXX												
Entries	Price (Baht)												

4. Research Management Fee (Researchers cannot reimburse) Total 51,200 baht	
4.1 Three experts for evaluating a research article (only published articles journals for Instructional Support and Development)	6,000
4.2 An expert for evaluating a research proposals and research reports draft (In the case of researchers lecturing/publishing articles, experts inspect quality of the full paper)	3,000
4.3 An expert for evaluating an abstract Thai - English	200
4.4 A reward for research presentation and academic publishing (paid for head of the research project)	40,000
4.5 Utility costs for conducting research	2,000
Total Amount	XXXXX

❖ **General research project can be categorized as follows:**

➤ **1. Remuneration costs**

1.1 Remuneration for research advisors*(choose only one)

- One research advisor (in RSU) for 1,000 baht
- One research advisor (not in RSU) for 2,000 baht

* *Qualification of the research advisor: Knowledgeable and skillful in the discipline that the researcher wants to study, being able to give advice, consult,*

review the overall quality of the research report and research paper to be published

1.2 Research Assistant Remuneration (if any) is remuneration for hiring a person who is not a co-researcher in that project, who may be a university personnel or a person outside the university, hired to work full-time or part-time in the research project for a suitable period of time, and the research assistant may be paid compensation for no more than 4 months, and the research assistant must not hold a teaching position.

<u>Qualifications</u>	<u>Monthly wage rate (not more than)</u>
Master's degree or equivalent (show academic certificate)	7,500 Bath
Bachelor's degree or equivalent (show academic certificate)	7,000 Bath
Higher vocational certificate or equivalent	6,500 Bath
Vocational certificate or equivalent	6,000 Bath
In case of daily employment	Use the above monthly rate and divide by 30.

➤ **2. Material costs**

It means the amount of money paid for the purchase of consumables, which may be categorized as construction materials, scientific or medical materials, agricultural materials, advertising materials and the distribution of costumes for research, etc. The list of materials must be based on the nature of the research project.

➤ **3. Operational costs**

3.1 Questionnaire 20 baht per copy.

3.2 Statistical data analysis 3,000 baht

3.3 Transcribing and content writing (in case of an interview) for 500 baht per hour
(no more than 5,000 baht)

3.4 Remuneration for interviewees (in case in - depth interview) 100/300/1,000 baht

- General : no more than 100 baht per person
- In - depth: no more than 300 baht per person No more than 10 people
- Experts: (produce evidence) no more than 1,000 baht per person

3.5 Focus group (6 - 12 person) 300 /1,000 baht

- General public: no more than 300 baht per person
- Experts: (produce evidence) no more than 1,000 baht per person

3.6 Constructing research instruments (only in case of general research that has created or developed a new tool) Questionnaire/interview form/observation form, etc. in lump sum payment for 5,000 baht

3.7 Typing, photocopying, and binding (1 copy) in lump sum payment for 3,000 baht

4. Research Management Fee (Researchers cannot reimburse) **Total 51,200 baht**

4.1 Three experts for evaluating a research article (only published articles journals for Instructional Support and Development) for 6,000 baht.

4.2 An expert for evaluating a research proposals and research reports draft

(In case researchers are in need of having the research report checked by experts for the overall quality of the book in total of 3,000 baht.)

4.3 An expert for evaluating an abstract Thai - English for 200 baht.

4.4 Research presentation and academic publishing.

- For grants less than 50,000 Baht, the publication must have a weight factor of no less than 0.4

- For grants less than 100,000 Baht, the publication must have a weight factor of no less than 0.6

- For grants greater than 100,000 Baht, the publication must have a weight factor of no less than 0.8

(Researchers can be reimbursed for publication expenses with a publication acknowledgment, receipt, or other document showing expenses in operations, total amount: 40,000).

4.5 Utility costs for conducting research (phone bills, postage) as appropriate, and not more than 2,000 baht/project.

Remarks

*Expense budget guidelines are illustrative examples only for how to determine cost estimates. The head of research project may determine more or less items of expenditure than items shown in the actual sample in the performance of the research project.

❖ Research project on E-Learning can be categorized as follows:

✎ 1. Remuneration costs

1.1 Remuneration for research advisors*(choose only one)

- One research advisor (in RSU) for 1,000 baht
- One research advisor (not in RSU) for 2,000 baht

**Qualification of the research advisor: Knowledgeable and skillful in the discipline that the researcher wants to study, being able to give advice, consult, review the overall quality of the research report and research paper to be published*

1.2 Research Assistant Remuneration (if any) is remuneration for hiring a person who is not a co-researcher in that project, who may be a university personnel or a person outside the university, hired to work full-time or part-time in the research project for a suitable period of time, and the research assistant may be paid compensation for no more than 4 months, and the research assistant must not hold a teaching position.

<u>Qualifications</u>	<u>Monthly wage rate (not more than)</u>
Master's degree or equivalent (show academic certificate)	7,500 Bath
Bachelor's degree or equivalent (show academic certificate)	7,000 Bath
Higher vocational certificate or equivalent	6,500 Bath
Vocational certificate or equivalent	6,000 Bath
In case of daily employment	Use the above monthly rate and divide by 30.

✎ 2. Material costs

2.1 For Script and Storyboard writing (paid for Head of the research project) in lump sum payment for 5,000 baht

2.2 Courseware for learning content from 3–6 hours (paid for the developer) by using a computer program 5,000 baht per hour, (no more than 30,000 baht)

✎ 3. Operational costs

3.1 Questionnaire 20 baht per copy

3.2 Statistical data analysis 3,000 baht

3.3 Transcribing and content writing (in case of an interview) for 500 baht per hour (no more than 5,000 baht)

3.4 Remuneration for interviewees (in case in - depth interview) 100/300/1,000 baht

- General : no more than 100 baht per person
- In - depth: no more than 300 baht per person. No more than 10 people
- Experts: (produce evidence) no more than 1,000 baht per person

3.5 Focus group (6 - 12 person) 300 /1,000 baht

- General public: no more than 300 baht per person
- Experts: (produce evidence) no more than 1,000 baht per person

3.6 Constructing research instruments (only in case of general research that has created or developed a new tool) Questionnaire/interview form/observation form, etc. in lump sum payment for 5,000 baht

3.7 Typing, photocopying, and binding (1 copy) in lump sum payment for 3,000 baht

4. Research Management Fee (Researchers cannot reimburse) **Total 51,200 baht**

4.1 Three experts for evaluating a research article (only published articles in journals for Instructional Support and Development) for 3,000 baht.

4.2 An expert for evaluating a research proposal and research report draft (In the case of researcher lecture/publish papers want to submitted the research report draft for experts to examine the overall quality of the completed research) for 3,000 baht.

4.3 An expert for evaluating an abstract Thai - English for 200 baht.

4.4 Research presentation and academic publishing.

- For grants less than 50,000 Baht, the publication must have a weight factor of no less than 0.4

- For grants less than 100,000 Baht, the publication must have a weight factor of no less than 0.6

- For grants greater than 100,000 Baht, the publication must have a weight factor of no less than 0.8

(Researchers can be reimbursed for publication expenses with a publication acknowledgment, receipt, or other document showing expenses in operations, total amount: 40,000).

4.5 Utility costs for conducting research (phone bills, postage) as appropriate, and not more Than 2,000 baht/project.

Remarks

*Expense budget guidelines are illustrative examples only for how to determine cost estimates. The head of research project may determine more or less items of expenditure than items shown in the actual sample in the performance of the research project.

❖ **Research project on E-Book can be categorized as follows:**

➤ **1. Remuneration costs**

1.1 Remuneration for research advisors*(choose only one)

- One research advisor (in RSU) for 1,000 baht
- One research advisor (not in RSU) for 2,000 baht

**Qualification of the research advisor: Knowledgeable and skillful in the discipline that the researcher wants to study, being able to give advice, consult, review the overall quality of the research report and research paper to be published*

1.2 Research Assistant Remuneration (if any) is remuneration for hiring a person who is not a co-researcher in that project, who may be a university personnel or a person outside the university, hired to work full-time or part-time in the research project for a suitable period of time, and the research assistant may be paid compensation for no more than 4 months, and the research assistant must not hold a teaching position.

<u>Qualifications</u>	<u>Monthly wage rate (not more than)</u>
Master's degree or equivalent (show academic certificate)	7,500 Bath
Bachelor's degree or equivalent (show academic certificate)	7,000 Bath
Higher vocational certificate or equivalent	6,500 Bath
Vocational certificate or equivalent	6,000 Bath
In case of daily employment	Use the above monthly rate and divide by 30.

➤ **2. Material costs**

2.1 For script and storyboard writing (paid for head of the research project) in lump sum payment for 5,000 baht

2.2 E-book development (16 pt. Font) for content from 50 to 150 pages (paid for the developer)

- Level 1 Basic: Slides and content production costs are at 100 baht per page.
- Level 2 Progress: (Level 1 + VDO animation) Production costs are at 250 baht per page.
- Level 3 Interactive: (Level 2 + Action button for interactive interaction) Production costs are at 350 baht

per page.

** In case of developing an e-Book comic, production costs are at 200 baht per A4 size page. But the maximum is 30,000 baht.*

➤ **3. Operational costs**

3.1 Questionnaire 20 baht per copy

3.2 Statistical data analysis 3,000 baht

3.3 Transcribing and content writing (in case of an interview) for 500 baht per hour
(no more than 5,000 baht)

3.4 Remuneration for interviewees (in case in - depth interview) 100/300/1,000 baht

- General : no more than 100 baht per person
- In - depth: no more than 300 baht per person No more than 10 people

- Experts: (produce evidence) no more than 1,000 baht per person

3.5 Focus group (6 - 12 person) 300 /1,000 baht

- General public: no more than 300 baht per person
- Experts: (produce evidence) no more than 1,000 baht per person

3.6 Constructing research instruments (only in case of general research that has created or developed a new tool) Questionnaire/interview form/observation form, etc. in lump sum payment for 5,000 baht

3.7 Typing, photocopying, and binding (1 copy) in lump sum payment for 3,000 baht

4. Research Management Fee (Researchers cannot reimburse) Total 51,200 baht

4.1 Three experts for evaluating a research article (only published articles in journals for Instructional Support and Development) for 6,000 baht.

4.2 An expert for evaluating a research proposal and research report draft (In the case of researcher lecture/publish papers want to submitted the research report draft for experts to examine the overall quality of the completed research) for 3,000 baht.

4.3 An expert for evaluating an abstract Thai - English for 200 baht.

4.4 Research presentation and academic publishing.

- For grants less than 50,000 Baht, the publication must have a weight factor of no less than 0.4

- For grants less than 100,000 Baht, the publication must have a weight factor of no less than 0.6

- For grants greater than 100,000 Baht, the publication must have a weight factor of no less than 0.8

(Researchers can be reimbursed for publication expenses with a publication acknowledgment, receipt, or other document showing expenses in operations, total amount: 40,000).
